Hi, Mike-

This is to follow-up that I called your office today, and reported to your assistant that I am aware I owe you some discovery, but I have been preparing for and involved in trial for the past few weeks. I am meeting with Mr. Keene tomorrow, and am not ignoring my obligations to you. I believe I have given you all of the things in my possession, and there is no more information to provide. If this is true, I will advise you formally of this in the discovery response. Thanks for your anticipated cooperation.
